

White Acres Specimen Lakes

Pats Pool

22 Pegs 2.2 Acres

Pats's Pool is our main specimen lake with carp from 15lb to 30lb and many Catfish from 20lb to 68lb 14oz (the complex record) and they take boilies so watch out!
Depths average from 3 feet to 7 feet down the dead arm. There are 4 islands to fish.

Stocking

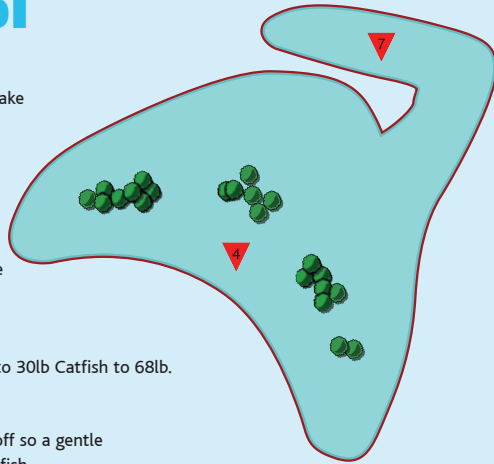

Mirror, Common and Ghost Carp to 30lb Catfish to 68lb.

Methods

Heavy feed tends to put the fish off so a gentle approach is needed to outwit the fish.

Best Baits

Boilies, meat, large pellets.

Nelsons

24 Pegs 2 Acre

Nelsons Specimen Lake is approximately 2 acres with Carp and Catfish from 13lb to 40lb in each side. There are several Ghost Carp over 20lb, the best recorded is 27lb. Best results are late evening, night and early morning. Best baits boilies and 21mm pellets. Feed lightly. Fish the margins when quiet.

Stocking

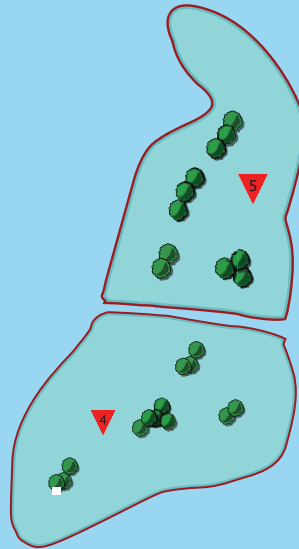

Mirror, Catfish, Common and Ghost Carp.

Methods

Heavy feed tends to put the fish off, so a gentle approach is needed to outwit the fish.

Best Baits

Floating baits, boilies, meat, large pellets.

White Acres Specimen Fishing Rules

- Day and night fishing to be paid for prior to fishing. If monies are collected from the bank you will be charged double.
- No heavy baiting, no nuts, peas or beans. No live baiting, dead baiting, plugs or spinners for catfish.
- Unhooking mats and 36-inch landing nets are COMPULSORY on specimen lakes.
- No litter to be left in the swim whatsoever. Do not discard your old bait into the lake or around your peg as this encourages vermin & poor water quality.
- Fish at marked pegs only, not between the pegs.
- Any problems regarding the fish or fishery to be reported to the fishery staff.
- No reserving pegs by leaving tackle or bivvys in the swims. If tackle is left unattended it will be removed after one hour by fisheries staff.
- Please do not damage trees or shrubs.
- TWO RODS ONLY TO BE USED AT ANY ONE TIME.
- Treat your neighbours with respect.
- 48 hours on each peg. This depends on the number of anglers on the complex. (Fisheries staff discretion).
- Bivvying up on specimen lakes only.
- Barbless hooks to be used at all times – NO EXCEPTIONS – micro barbed hooks are not barbless! No trebles. Maximum size 4. Minimum size 10.
- All anglers under 16 years of age must be accompanied by an adult if night fishing.
- No bent hook rigs, beach caster method.
- An independent angler must witness carp or catfish of the week (not family).
- No retaining fish at any time, i.e. sacks or keepnets. All fish to be returned after weighing.
- No responsibility will be accepted for loss, damage or injury however caused.
- A minimum line strength of 12lb. No pole fishing.
- NO fixed leads of any description.
- All method feeders must be free running to a bead.
- All aspects of the rules are at the sole discretion of the fishery staff.

Please make sure all rigs are safe and not fixed, all rigs must be free running to ensure the quality of the fish & fishing.
